

AdvanzPay lets employees access their earned wages before payday, giving them more control over their finances. It's a smart way to support your team, boost morale, and build a better workplace.

## THE UNDERLYING PROBLEM

# Financial stress and debt leads to poor performance and an unhappy workforce

## OUR SOLUTION

### Finance Made Fair with AdvanzPay

#### Put employees in control

Instead of turning to expensive loans, employees can access their own earned wages anytime.

#### No debt, no stress

Employees withdraw a portion of their earned pay without interest, avoiding financial traps.

#### Flexible payouts

Employees can tap into their earnings whenever they need.

#### A win for employers too

Less financial stress means higher productivity, lower absenteeism, and improved retention.

#### Real-time visibility

Advanz Pay lets employees track their growing earnings daily, building confidence and control

#### Goal Setting Feature

Employees can set savings goals and take control over their finances

#### Customizable Access Limits

Employers can set caps and withdrawal frequency

#### Smart Mortgage Repayment

Save on interest and reduce your loan term with automated daily offsets

#### Real-Time Tracking

Employees can monitor earnings via the Advanzpay app

#### Easy Access

Employees can easily access their earned wage at anytime via the AdvanzPay app

#### Seamless Integration

Compatible with any modern payroll and HR management system at zero cost to employer

Let's build a financially empowered workforce together!
